

DIAMOND GUIDE

2024 MEMBERSHIP INFORMATION

WELCOME

On behalf of the owners and leadership of Westbrook, A Diamond in the Rough, I want to thank you for your continued support of the Club, I know you share our excitement for the completion of the new Westbrook and what it will offer for years to come.

The spectacular new facilities and the outstanding golf program will provide Westbrook constituents with services and amenities in a casually elegant atmosphere unprecedented in this region. In addition to the unparalleled facilities, our team's primary mission is a new emphasis on hospitality and service to enhance your member experience. We are focusing on bringing the best practices of the private club and hospitality industries to ensure Westbrook becomes a premier golf and social organization sustainable for the next generations.

This new DIAMOND GUIDE is the Westbrook Membership Handbook. Its purpose is to communicate facts and policies in a clear, but concise manner. In addition to the Code of Conduct, membership classifications have been clearly defined and streamlined to Golfing and Social/Non-Golfing categories. Other items included in the Guide are the updated dues level for 2024, the first increase in a decade, and the introduction of the new Social Plus category, designed specifically for members waiting for membership providing golf privileges. **Members in grandfathered categories will have no change in classification or dues other than changes related to age.**

Additional information provided by the Guide is an announcement eliminating the \$1200 annual MINIMUM DINING requirement in favor of a \$60 per month dining fee, updated policies modernizing member billing, Club account access, payment procedures, and delinquency penalties. You will also find information on the Swimming Pool safety rules and 2024 Golf services.

Every Golf member, including both spouses who play golf, will now be provided a package of golf services on an annual basis for a very reasonable sum to include a full-sized locker with locker room amenities, bag storage and club care, and unlimited family range privileges. With the recent arrival of the new fleet of EZGO RXV-Elites, the annual cart fee is increasing a marginal amount. The Golf Service Fee and Annual Cart fee commence in May.

Please understand that this member Guide is an evolving document. As Westbrook grows, other procedures and policies may be created while others may be adjusted. If or when this happens, communication with the members will always be a priority.

Please do not hesitate to contact me with questions.

Paul Showalter, *President*

The term "Member or Members" as used in the General Club Rules includes the Member and all persons having Membership privileges under a member.

WESTBROOK COUNTRY CLUB CODE OF CONDUCT

Westbrook, A Diamond In The Rough, Inc. ("WCC") has been established as a private country club for its Members, their families and their guests.

As a community of unique individuals from varied backgrounds, our Code of Conduct provides a common set of guiding principles, designed to promote an atmosphere of safety, of civility and cordiality at all times, thus offering a true sanctuary for our membership. For the benefit of all, it is our shared responsibility to abide by this code of conduct, intended to respect the rights of every Member, guest and Staff Member, and to guarantee the future success of Westbrook Country Club and truly make it our "Diamond in The Rough":

- **A WARM AND WELCOMING ENVIRONMENT** - Our Club has built a wonderful reputation as a friendly and inclusive place, made possible by a Membership that regularly welcomes an ever-expanding circle of Members and guests.
- **EXHIBITING CONDUCT BECOMING OF A WCC MEMBER** - To maintain a desirable environment, Members, their families and guests shall be expected to conduct themselves appropriately at all times. Every visit to the Club should be enjoyable and free from embarrassment, confrontation and strife. Our Members should treat others as they wish to be treated. Members shall not harass, physically or verbally threaten, either personally or by use of social media. With a wealth of personal and professional knowledge and experience in our ranks, it is understood that there are many ways to arrive at a 'best solution' to a given problem, but that compromise and respect for differing points of view is the best ingredient for success.
- **RESPECTING OUR STAFF** - We are fortunate to have a dedicated staff, who work hard to deliver a pleasurable, premium club experience. They are worthy of and deserve our appreciation and respect at all times.
- **OUR MEMBERS & GUESTS-ABIDING BY OUR CODES OF CONDUCT AND DRESS** - WCC is a welcoming place for our Members' guests. For the benefit of all Members and their guests, Member(s) need to inform their guest(s) as to the expectations of our Club through the honoring of the intent of this Code of Conduct, to exhibit proper behavior at all times, and to honor our current dress code while they are in attendance at our Club. Members are responsible for the actions of their guests. • **HONORING THE GAME OF GOLF** - With golf as the central offering of our Club, Members are expected to observe the rules of golf and to practice proper golf course etiquette at all times.
- **COMMITTING TO THE STEWARDSHIP OF OUR CLUB** - Our future relies on how we care for our Club today. By volunteering our time, we can build a stronger community and ensure that future Members will enjoy the same opportunity to enjoy our facilities and valued traditions that we enjoy today.
- **APPRECIATING OUR RICH HISTORY AND SIGNIFICANCE** - WCC began as something of a gift to future generations. The founding Members built a special place, creating a legacy of success for the benefit of its Members and the surrounding community. Our enjoyment of WCC today is a direct result of this legacy and of every Member's engagement since the Club's founding in 1906. Historic evidence and information are available to every Member, and is on display in our Clubhouse, on our website, and on our golf course. Please make every effort to honor this history and respect these traditions.
- **RESPECTING WCC'S RULES** - Designed by Members for Members to maximize the enjoyment of our facilities, Members are responsible for knowing and abiding by this Code of Conduct and by the rules outlined in the Golf and Dining Guides.

To assure our Members, their families, guests and our Staff that WCC is and shall remain a safe and fun place of entertainment, your Board of Directors has issued the following "Code of Conduct" that it expects all of its Members, their families and guests, and Staff Members to conform to while on our Club premises:

INTRODUCING THE SOCIAL PLUS CATEGORY

The **NEW** Social Plus membership category has been created and designed specifically as a temporary category for members waiting for an opening in a classification with full golf privileges. Social Plus is the new Golf waiting list category.

Previously, Social members paid their Social dues and weren't charged extra for golf or cart fees, allowing them to play fifteen times annually, along with any club events not counted towards their limited rounds. However, to ensure fairness to our dues-paying Golf members and preserve course availability and exclusivity, newly approved membership classifications now restrict Social members from golf privileges. They may only play golf as guests of Golf members, adhering to Westbrook's Golf Guest rules. However, to provide those Social members waiting for an opening in a membership classification with full Golf privileges, Social Plus has been created.

All Current social members are being offered the opportunity to change classification to Social Plus in the month of May.

Those Social members on the current Wait List, will have the first opportunity to upgrade to Social Plus by May 15. On May 16 any Social member may request an upgrade.

When a membership with Golf privileges becomes available upon the resignation, death, category change, or suspension of a golf member; the Social Plus member with the earliest application date will automatically change category status and be billed dues and fees applicable with the new category.

Payment of the applicable initiation fee will apply to any member joining after August 31, 2023.

If a Social Plus member waives the opportunity to change status to a golf membership, his/her membership status will automatically revert to social status and must remain in that category for one calendar year before re-applying for Social Plus status or golf status if available.

Social Plus golf privileges include the opportunity to play the equivalent of six (6) 18-hole rounds per membership at no fee other than the applicable cart rental fee for the round.

Participation in member events is restricted to regular and junior golf members, however Social Plus members can use the limited rounds towards Couples Twilight and Opening and Closing Stags.

Social Plus members can also entertain guests and the dependents may participate in Westbrook's Junior golf programs.

Range privileges are included but Club storage/care and locker rental are optional.

MEMBER PAYMENTS & BILLING

Dues, capital fees and assessments are based on a calendar year beginning May 1 and extending to April 30. Member statements will be sent via email on or near the first of each month for payment by the 25th said month. Members are required to make payments for their club statements using Electronic Funds Transfer (EFT) through their bank's Automated Clearing House (ACH) system.

If any member fails to pay their indebtedness at the time fixed for payment by WADITR INC., a late fee of \$35 will be assessed with 1.5% interest on the balance. Failure to meet the indebtedness within two (2) months thereafter, will result in the member's Club privileges be suspended automatically until payment is made in full. Delinquency beyond two (2) months may result in membership termination.

STATUS CHANGE

Upon written or email request to the Club President, a member whose accounts are paid in full, may be granted a one year leave of absence from active membership for good cause, waiving payment of dues, fees, and assessments of one (1) full year from the approval date. Good cause is limited to serious financial hardship, serious illness, a temporary residence change, or absence due to service in the Armed Forces of the United States. In such a leave of absence, membership privileges shall be suspended for the same period. Should a member on leave wish to return to active membership prior to one (1) full year, the member will be responsible for payment in full of all dues and assessments retroactive to the approval date of the leave.

Resignation from membership must be made in writing or via email to the Club President. Any member in good standing may resign membership from the Club by giving written notice or email to the Club President. The effective date of the resignation will be ninety (90) days after the date the Club President receives the notice. A notification of acceptance of resignation shall be provided to the member with the date of membership termination provided all charges (i.e., dues, fees, and all other expenditures) for which the member is liable are paid upon the effective date of resignation.

Reinstatement: If a former member applies for membership, the application shall be treated as a new application subject to the current initiation fee and current membership categories dues, fees, and assessments.

For a member resignation or leave of absence request to the Club, the following will determine the official acceptance and billing date: For acceptance on the first day of the month, the member's account must be paid in full, the written or email request to the Club President must be received on or before the 15th day of that month, and the member will not have used the Club for that period of time. Requests received on or after the 16th day of the month will be accepted on the last day of the month and full payment of the current month's dues, fees, assessments, and charges are required.

Any member in good standing may change category status by giving written notice or email to the Club President. The effective date of the change is the same policy for resignation or leave of absence requests. If a member is granted a category status change, the member is obligated to remain in that category for one calendar year before requesting another category change.

A member in any grandfathered category requesting a category status change may only change status to a current category at current dues.

PAYMENT PROCEDURES

To assist you with the business side of your membership, let me share the following information. The Club's billing cycle runs from the first of the month to the end of the month. Your monthly account statement will be e-mailed to you and is due by the 25th of the next month (example: statement date is April 30th – payment is due on or before May 25th).

ACH Forms will be required for all Members. You will have two payment dates to choose from (10th & 20th). Members must be enrolled into this payment method by June 30, 2024.

We are moving to ACH payments to add more security for your Membership payments. ACH payments are more secure than card payments. A clearinghouse must clear all ACH transactions, and they have uncompromising regulations. All account numbers stay confidential, and ACH transfers go directly from one bank to the next.

All statements will be emailed to Members. A mailed paper statement may be requested and carries a \$2 fee.

Coming Soon! With the launch of our new website, your statements will be available by simply logging in to the site.

Attached is the ACH Form that you are able to fill out and return to Westbrook to update your payment method.

FOOD & BEVERAGE

Annual Minimum Elimination and Introduction of a Monthly Dining Usage Fee

Commencing in May of 2024, Westbrook's \$100 per month / \$1200 annual food and beverage minimum fee has been eliminated.

Effective May 1, all members, regardless of classification or grandfathered dues status, will be billed a flat monthly Dining Fee of \$60 regardless of how much or little they patronize the dining facilities of the Club.

Why the Change?

Private club dining operations are very different from restaurants open to an unlimited public. The customer base is minimal, the styles of dining are expansive, and business is extremely seasonal due to the nature of golf. Clubs created minimum dining fees with the intent of supporting food and beverage operations and maintaining staff throughout the off season. However requiring members to pay for something regardless of their desire or availability to use is not member friendly or good business. A flat Dining Usage provides the same purpose as the minimum fee but does not penalize members for not patronizing club dining. All members share equally in supporting dining and culinary staff and it is a reduction in overall member cost.

Members may now patronize Westbrook's dining and bar services when and how they want without being penalized for lacking the time or desire to enjoy a meal at the Club.

Additionally, the Club permitted alcohol sales to be applied to the minimum requirement. Although well intentioned at the time of institution, in today's culture a policy that mandates the purchase of alcohol cannot be considered as a best business practice.

Club leadership wants every member to enjoy Westbrook's new dining experience. The significant investment in culinary operations, equipment, and most importantly, professional F & B professionals clearly demonstrates a new commitment to providing a quality dining experience, but now members can choose when, how, or if they want to dine at the Club.

April Minimum

Due to the unavailability of dining service in the month of April due to the kitchen remodeling, the food and beverage minimum has been waived for the month.

For those that have prepaid for their annual minimum through April 30th, an appreciation credit for the remaining balance will be added to your account, which can be used on food items. The credit can be used through June 30th.

For those that have prepaid for their annual minimum through December 31st and have less than \$720 remaining, any balance will be applied to the first 12 months of the new Dining Usage Fee. For all greater balances, \$720 will be applied to the first 12 months of the Dining Usage Fee and an appreciation credit for any balance above will be added to your account, which can be used on food items. The credit can be used through December 31st.

GOLF CARTS
