# THE DIAMOND

---

MAY 2024 | ISSUE 2

# LETTER FROM THE PRESIDENT

Dear Members of Westbrook,

Much is happening at Westbrook this month. Work is progressing on the new kitchen and at this point all looks great to open for Mother's Day Bruch on May 12. Regular lunch and dinner service will return Tuesdays thru Sundays on May 14. Look for updated operating hours in this issue of the Diamond.

Also in this issue, Chef Reed's newly created menus for lunch and dinner are included. Our culinary team has spent the last several weeks being re-trained by Chef, preparing and fine tuning every offering to ensure your expectations are exceeded. The team's focus is on fresh seasonal ingredients, simply prepared and elegantly presented. Standards for beef, seafood, and even our breads, have been created for consistency and quality. From a quick lunch prior to golf to an evening dinner on the upcoming patio with friends to specialty buffets, the team is committed to making Westbrook's dining experience second to none in this area.

The service team is currently expanding to meet your needs in the coming months. Formal training in all aspects of beverage and dining service has been going on for the last couple weeks and will continue as Westbrook on-boards more team members as the summer nears.

Pool operations will commence Saturday, May 25th featuring afternoon family entertainment provided by DeeJay Billy Manos from Canton. Billy puts on a terrific show for our youngest members with music, games, and entertainment.

With the Golf Shop and Cart Storage open, it gives us a glance of the greater things coming. The new fleet of RXV's are here. They look and ride fantastic. Please be cognizant that these carts were purchased at a cost of more than \$10,000 each. We know all Westbrook members will treat these vehicles as their own, but please remind your guests to handle our carts in a safe and caring manner. To be able to ride in luxury at such a minimal cost is a member value few members at other clubs' experience.

A brand-new Beverage Cart will arrive shortly and will be on the course daily. Beverage and a new Grab n' Go menu for golfers will also be available from the Poolhouse window at the turn. As soon as we are permitted to operate, it will be open in the morning, especially on weekends, to serve early morning players.

Most of you have seen the newly published Diamond Guide, our membership handbook. It was mailed and emailed to the entire membership. It is also posted on the Westbrook website. If you have questions, please don't hesitate to contact me by phone or email. We have some changes and not everyone understands or accepts change easily, however everything detailed in the Diamond Guide is to ensure Westbrook continues to shine as that diamond in the rough for generations to come.

*Paul Showalter, President*

### GOLF SHOP

I hope this message finds you well. I'm writing to inform you about an upcoming transition period for our golf shop. As we prepare to move to our new location, we anticipate a brief closure of our current premises.

We are in the process of transferring all inventory and equipment to the new pro shop, aiming to complete this relocation. Following this move, we will require some time to organize and set up the new space effectively.

While we cannot provide an exact reopening date at this time, we are aiming to have the new golf shop operational by the end of April. However, please note that this timeline is subject to change as we finalize the setup and obtain necessary permissions.

In the interim, we kindly request your cooperation during this month until we resume operations. Your assistance during this transition period would be greatly appreciated and will contribute to a smoother reopening process.

Thank you for your understanding and support during this transition. We are committed to providing you with the best service possible and look forward to welcoming you back to our new golf shop soon.

### GOLF CARTS

As scheduled, our new golf carts are here! In light of our present parking constraints, it is crucial that you either reserve your slot on the tee sheet or contact the pro shop in advance to confirm your attendance. This will enable us to coordinate shuttle services efficiently and ensure timely transportation to the designated cart staging area.

Additionally, the installation of elevators in the East wing is underway, with all the necessary hardware being stored in the old cart building. Despite the progress being made in construction, it's important to acknowledge that unexpected delays may occur.

We are now operational out of the new pro shop. However, please note that unauthorized personnel will not be permitted access to other parts of the building until further notice.

Thank you for your patience and understanding as we work through these final stages of construction. Should you have any questions or concerns, please don't hesitate to reach out.

# GRAND OPENING PARTY FOR THE NEW WESTBROOK

*SAVE THE DATE | SUNDAY, AUGUST 4*

Start the celebration of the New Westbrook by joining us on August 4th for a kick-off party like no other! We will be featuring Playin' Through, an exclusive, up close and personal music experience like no other.

Dear Westbrook Country Club Members,

We hope this message finds you well. We are excited to announce a significant event at Westbrook Country Club: the grand opening of our new clubhouse, featuring a live performance by "Playin' Through" featuring Randy Houser, is scheduled for August 4th and 5th. Playin' Through features Tyler Reeve and Cole Taylor, songwriters from Nashville, Tennessee with multiple hits under their belts. They travel to courses across the country, along with a country music superstar or two, and hop on stage to perform for members of the Club. Together, they share stories about how they wrote their hit songs and even play some new ones that have yet to be heard. This event promises to be a memorable occasion, showcasing the vibrant spirit of Westbrook in a country music concert style.

## **EVENT CHANGE SENIOR AND WOMEN'S CLUB CHAMPIONSHIP**

In light of this exciting development, we have made the decision to reschedule the Men's Senior and Women's Club Championships, originally planned for the same weekend, to September 14th and 15th. We understand the inconvenience this may cause, but we believe it is necessary to ensure that both events receive the attention they deserve and to avoid any conflicts with the clubhouse opening festivities.

Rescheduling the championships to September 14th and 15th provides the best available option, considering the availability of weekends and our desire to avoid overlapping events at the Club. We recognize that this coincides with the Men's Richland County Championship, but we are confident that our members will understand the importance of this decision.

Our golf shop will be reaching out to all contestants who have signed up for the championships to confirm their availability on the new dates. We apologize for any inconvenience this may cause and appreciate your understanding and cooperation in making this necessary change.

We are committed to providing you with the best experiences at Westbrook Country Club, and we believe that rescheduling these events will contribute to a more enjoyable and memorable experience for all.

Thank you for your continued support, and we look forward to seeing you at the clubhouse opening festivities and the rescheduled championships.

Best regards,

Westbrook Country Club Management

## BROCK'S FAREWELL

It is with a mix of sadness and excitement that we bid farewell to Brock Kehres, who has embarked on a new journey in his life. Brock has been an integral part of the Westbrook team, and his presence will surely be missed.

Brock, along with his girlfriend Holly, has relocated to Columbus, where he is pursuing opportunities in the golf industry. We are thrilled to share that Brock has been offered the position of Golf Teaching Professional at the esteemed Golf Room. This new role is a testament to his dedication and expertise in the sport, and we have no doubt that he will excel in this position.

While we will miss Brock's contributions and camaraderie here at Westbrook, we wholeheartedly support his decision to pursue his passion and further his career. We extend our heartfelt best wishes to Brock as he begins this exciting chapter in Columbus.

Please join us in congratulating Brock and wishing him all the success and happiness in his future endeavors.

## UPCOMING EVENTS

Both the Men's Tuesday Night League (TNL) and Women's Golf Association (WGA) will commence on Tuesday, April 30. The women's opening day will kick off with a scramble at 9:00 a.m., followed by a luncheon at MVP's. For the men's TNL, a two-man scramble with a 5:00 p.m. shotgun start will mark the beginning of the season. Prizes will be up for grabs across all four divisions. While beverages will be available at the Hahn Bar and/or Pool Turn, please note that food service will be temporarily unavailable due to ongoing construction of the new kitchen. The first Men's players cup event the Spring Classic, begins on Sunday, May 5 – 9:30 a.m. shotgun.

## KID'S CARNIVAL

Do you have children or grandchildren who are interested in our golf program? Bring your family out to our Kid's Carnival! During these enjoyable activities, our golf professional staff will be available to provide information about our Junior golf programs.

## GET GOLF READY FOR WOMEN

Program Goal: Golf is a great way to stay active and enjoy the outdoors, but it can be intimidating for beginners, especially for women who may feel like the sport is traditionally male dominated. Fortunately, the PGA (Professional Golfers' Association) has developed a program called "Get Golf Ready" specifically for beginner women golfers. This program is designed to provide a fun and supportive environment where women can learn the fundamentals of golf, develop their skills, and gain confidence on the course. In this program, participants will learn not only the technical aspects of the game but also the etiquette and rules of golf, making them feel more comfortable and confident as they begin their golfing journey.

## DEMO-FITTING DAY AT WESTBROOK

We're thrilled to announce a packed day of golf companies coming to Westbrook to fit our members with the latest golf clubs. Mizuno is scheduled on Saturday, April 27 from 2:00 to 6:00 pm. On Saturday, May 4, we have fitting technicians from TaylorMade, Titleist, and Callaway coming to the range. Make sure you sign up for a time slot on the Westbrook app to guarantee your session with the golf fitting staff.

## GOLF COURSE UPDATE

As we gear up for the start of the golf season, I am thrilled to share some exciting updates about Westbrook's course and facilities.

Our dedicated superintendent, Eric, and his team have been hard at work preparing the golf course to meet Westbrook's impeccable standards. Despite the challenges posed by recent rainfall, I'm delighted to announce that the course is open for play. While we may need to keep the golf carts on the paths a bit longer due to the wet conditions, rest assured that our course remains accessible for your enjoyment.

In addition, I'm pleased to inform you that Eric recently received our long-awaited new greens mower, a significant investment that will enhance the quality of our playing surfaces. With green and fairway aerification already completed, our course is primed to rebound beautifully this April.

But that's not all! The anticipation is building as we look forward to the grand opening of our new clubhouse, slated for the middle of the summer. This state-of-the-art facility will elevate the Westbrook experience for all members, offering unparalleled amenities and comfort.

As we embark on this exciting journey into the new golf season, I want to extend my deepest gratitude to Eric and his team for their tireless efforts in preparing our course. Their dedication ensures that Westbrook remains a premier destination for golf enthusiasts like yourselves.

I encourage each of you to take advantage of our exceptional course and facilities in the coming months. Whether you're a seasoned player or just starting out, there's something for everyone to enjoy at Westbrook Country Club.

Here's to a fantastic year of golf ahead!

#### SUNDAY BRUNCH FEATURES

##### Beginning the Sunday after Memorial Day

Get ready for an exciting culinary experience! Don't miss out on our incredible Sunday Brunch Features, each Sunday after Memorial Day! Bursting with deliciousness, these features you certainly don't want to miss!

#### NEW MENU

During this down time, our culinary team is training diligently to bring you a brand new menu that will blow your taste buds away! Our team is putting in the work to perfect every dish and ensure that each bite is a culinary delight. Trust us, it'll be worth the wait!

#### EMPLOYEE SPOTLIGHT | DREVON WILSON

Drevon Wilson is a culinary artist whose journey began at Mansfield Senior High School's culinary arts program. Continuing his passion, he pursued further education at the Hocking Culinary Arts Program. There, he seized an invaluable opportunity to learn under the guidance of Master Chef Alfonzo Contrisciani. With Contrisciani, Drevon honed his skills in farming, catering, and restaurant management. Equipped with invaluable experience, he returned to his roots in Mansfield, Ohio, where he now showcases his culinary talents at Westbrook, delighting patrons with his expertise and creativity.

*Guest policies same as golf*

**Weekday Guest Fee**                      Adult \$10 | Kids 3 to 17 \$7.50 | Kids 2 and under Free

**Weekends Guest Fee**                      Adult \$12.50 | Kids 3 to 17 \$10.00 | Kids 2 and under Free

## POOL SPECIAL EVENTS

### FATHER’S DAY BUILD-A-BOAT RACES

Sunday, June 16

*Kids and their Dads build boats from cardboard and duct tape and compete for the fastest and most pool-worthy vessel on the Westbrook pool*

Look for some “Late Night” Friday Night Swims

Saturday and Sunday “Pop-Up” Activities for kids

### JULY 4TH POOL PARTY

### LABOR DAY FAMILY PARTY

Saturday, August 31

### LESSONS

Please be patient as we develop an organized Swim Lesson Program. Look for more information by June 1.

### TOWEL SERVICE

Pool Towels will be provided to swimmers in 2024. Luxurious and large beach towels have been purchased for complimentary member use at the Pool. Look for this service to be provided after July 15. Why the wait? Occupancy of the East Wing, the location of the new in-house laundry, is not scheduled until July 15, so towels cannot be laundered until then. Your patience is appreciated!

## SAFETY IS THE FIRST AND ONLY PRIORITY OF WESTBROOK LIFEGUARDS

Your lifeguarding crew is more than just some nice kids to talk to on a sunny summer afternoon. Their primary job when sitting in a chair or standing watch over the pool is to prevent injury and drowning by constantly scanning the water. They also must act as first responders in the event of an accident or emergency and ensure all safety and rescue equipment is in proper working order on a daily basis.

A concentrated training program will be conducted for all lifeguard staff above and beyond the requirements of the Red Cross or WSI. All of Westbrook's Guard Team, both returning and new, are expected to be competent, mature, and well-trained people who understand the importance of preventative lifeguarding. The guards will receive Westbrook-specific safety training in addition to their State Certifications. Some of the behind-the-scenes operations of the lifeguard staff will include instituting and practicing an emergency response action plans for incidents and accidents, maintaining safety equipment, determining pre-set rotation schedules to ensure constant pool supervision and safety, and biweekly life-saving training sessions on Monday evenings.

Please remember when a lifeguard is not in a chair or policing a pool safety zone, s/he should be cooling off, refreshing themselves and resting to ensure s/he will be alert and ready to act when they return to duty. They are not just hanging out! Food and beverage staff are designated to clean up trash and towels and check in members and their guests. The Guards are present to prevent incidents

Here are some tips to help the Lifeguard Team make safety the number one priority this summer:

Questions for the pool staff should always be directed to the Lifeguard working the Pool Desk and not to the guards at their station.

Follow all pool rules and support lifeguards when they enforce safety rules.

Prevent accidents before they happen by explaining the safety rules to your children

Demonstrate respect to your lifeguards' responsibilities and to your fellow Members by watching and disciplining your own children so your lifeguards can concentrate on the pool.

The lifeguards are not babysitters. Their job is to prevent incidents and lifesaving. Distractions due to disorderly behavior take the guards' focus off the water.

Ultimately pool safety must be our number one priority. Please help us make this summer be a fantastic and safe summer!

*Paul Showalter, President*
